Cod: 111380041472831

Professional glasswasher with Wi-Fi capability, 40×40 cm basket, single-phase, 2.8 kW, 53×47×70h cm

Description

A professional glasswasher designed for baristas seeking the best possible cleaning performance. The available cycles allow you to optimise cleaning performance according to the type of glassware, ensuring consistently impeccable results. Constructed from AISI 304 stainless steel, with a balanced double-walled door, easily cleanable coplanar stainless steel rotating arms, a temperature display and the option to adjust the cycle parameters.

The programmable system ensures that the rinse takes place at a water temperature of 85°C to guarantee the elimination of bacteria.

Standard features:

Rinse aid dispenser to ensure excellent drying results, provision for a detergent dispenser, provision for a Wi-Fi module, provision for a drain pump.

A wide range of optional extras available on request.

Two glass baskets supplied.

A scratch-resistant and impact-resistant capacitive display, designed to withstand the demanding conditions of professional kitchens.

. 100% Made in Italy.
