Cod: 111390041472510

Professional glasswasher with Wi-Fi capability and single-phase water filter, 40×40 cm basket, 2.8 kW

Description

A professional glasswasher designed for baristas seeking the best washing performance. The available cycles allow you to optimise washing performance according to the type of crockery, ensuring consistently impeccable results. The machine features easily cleanable, coplanar stainless steel rotating arms, a temperature display and the option to adjust the cycle parameters.

The programmable system ensures that the rinse takes place at a water temperature of 85°C to guarantee the elimination of bacteria.

A rinse aid dispenseris fitted as standard to ensure excellent drying results, with provisionfor a detergent dispenser and a Wi-Fi module.

A wide range of optional extras is available.

Two glass baskets are supplied.

A scratch-resistant and impact-resistant capacitive display, designed to withstand the demanding conditions of professional kitchens.

. 100% Made in Italy.
