Cod: 111470042510147

Professional electronic glasswasher with Wi-Fi capability, single-phase, 40×40 cm basket, 2.8 kW

Description

A professional electronic glasswasher designed for baristas seeking the best washing performance. The Full-Touch HD display with coloured icons is intuitive and easier to use. AISI 304 stainless steel construction. Balanced double-walled door, easily cleanable coplanar stainless steel rotating arms, temperature display, and the option to adjust cycle parameters.

The programmable system ensures that the rinse takes place at a water temperature of 85°C to guarantee the elimination of bacteria.

A rinse aid dispenseris fitted as standard to ensure excellent drying results; provision is madefor a detergent dispenser, a Wi-Fi module and a drain pump.

A wide range of optional extras is available. Two glass baskets are supplied.

The double-walled, insulated tank enhances operator comfort by reducing noise levels and further improves energy efficiency.

. 100% Made in Italy.
