Cod: 12280

Single-phase glasswasher with a round basket (Ø 36 × 17h cm) and built-in rinse aid dispenser

Description

Why buy it?

This glasswasher is the ideal choice for anyone looking for **efficiency and a compact design** without compromising on performance. Perfect for **bars, restaurants and venues with limited space**, it offers a quick and spotless wash for glasses, cutlery and saucers. Thanks to **the built-in rinse aid dispenser**, your glasses will always come out sparkling and streak-free. With a wash cycle of just **120 seconds**, your crockery will always be ready in no time at all.

Key features

- **Compact dimensions, high efficiency**
  Despite its compact dimensions (**42.5x45.5x64h cm**), this glasswasher delivers **high-performance washing** and is perfect for confined spaces such as bar counters or small professional kitchens.
- **Round basket Ø 36 x 17h cm for maximum versatility**
  The **round basket** allows you to optimise the internal space and better accommodate crockery of different sizes. Also included are a **35x35 cm square basket, an insert for 12 small plates** and a **cutlery insert**, for a more organised and effective wash.
- **Fast and efficient wash cycle**
  With a **cycle time of just 120 seconds**, this dishwasher delivers professional results in no time at all. Ideal for establishments with a high volume of customers.
- **Integrated rinse aid dispenser for spotless crockery**
  The rinse aid dispenser ensures that every wash cycle leaves glasses and crockery **sparkling and streak-free**, improving the quality of service and reducing the time needed for drying.
- **Optimal wash and rinse temperatures**
  The glasswasher operates at **85°C during the wash cycle** and **53°C during the rinse cycle**, ensuring **perfect hygiene** and the maximum removal of residues and bacteria.
- **High power and performance**
  Equipped with a **maximum power output of 2.9 kW**, a **0.30 kW pump** and a **2.7 kW boiler heating element**, it delivers fast and effective washes whilst minimising energy consumption.
- **Easy installation and intuitive operation**
  Connection to the mains water supply is straightforward thanks to **a 3/4" inlet pipe** and a **2.5 cm outlet**. Its ease of use means even less experienced operators can achieve excellent results effortlessly.
