Cod: 122950065043362

White 4-sided glass-fronted refrigerated display fridge for drinks and pastries, 231 litres, +1 to +12 °C, 56.2 × 53.2 × 170.5h cm

Description

Why buy it?

If you're looking for an elegant and professional display for your drinks or patisserie creations, this **four-sided glass display fridge** is the perfect choice. It combines **modern design**, **maximum visibility from every angle** and **advanced refrigeration technology** , offering ease of use and optimal performance. It is ideal for cafés, patisseries, hotels and any retail outlet wishing to showcase its chilled products.

Key features

- **360° visibility thanks to double-glazed panels on all four sides**
  The **transparent double-glazed panels** on all four sides offer a **complete view of the contents**, showcasing every displayed product to its best advantage. Excellent for attracting customers' attention and encouraging impulse purchases.
- **Internal LED lighting for perfect display**
  The integrated LED lighting creates a **uniform, bright light** that enhances the freshness and colour of the products without overheating the interior. It also helps to save energy.
- **Electronic thermostat with digital display**
  The control system allows you to **monitor and precisely adjust the temperature**, maintaining it constantly between **+1 and +12 °C** – ideal for drinks and fresh bakery products.
- **Ventilated cooling system**
  Ventilated cooling ensures an **even distribution of cold air** inside the display cabinet, preventing hot spots and keeping all products in the same ideal conditions.
- **Anti-fogging system for the glass**
  Thanks to the anti-fog system, the glass remains **clear even in damp environments or where there are significant temperature fluctuations**, ensuring maximum visibility of the displayed products at all times.
- **Adjustable PVC-coated shelves**
  The **four adjustable shelves** allow the interior to be organised flexibly according to the size of the products. The PVC coating makes cleaning easier and increases durability.

Technical specifications

- **External dimensions:** 56.2 x 53.2 x 170.5h cm
- **Capacity:** 231 litres
- **Climate class:** 4
- **Energy class:** B
- **Refrigerant:** R290
- Power**supply:** Electric
- **Operating temperature:** +1 / +12 °C
- **Cooling type:** Fan-assisted
- **Shutters supplied:** 4 adjustable

Dimensions

External dimensions	562x532x1705 mm
Internal dimensions	469x377x1142 mm
Packaging dimensions	615x575x1880 mm

Technical specifications

Capacity	231 Lt
Climate class	4
Electricity consumption	1703 Kw/anno
Energy efficiency class	B
Frequency	50 Hz
Net weight	76.5 kg
Operating temperature	+1 +12 °C
Power supply	Electric
Refrigerant gas	R290
Refrigeration	ventilated
Voltage	230 V
Weight including packaging	83.5 kg

Standard equipment

Included	4 adjustable racks
