**Cod: 112210081742016**

## 4-ring electric hob with open compartment, three-phase, 10.4 kW, 80×70×85h cm

### Description

Electric cooker with 4 square hotplates, stainless steel body. Knobs made from heat-resistant material with functional screen-printed markings around the edge.

Heating is provided by square cast-iron hotplates. The heating element is fixed to the base of the hotplate, embedded in a layer of insulating material. Each hob is fitted with a control switch that allows the heat output to be adjusted from maximum to minimum across seven settings. Safety is ensured by a temperature limiter located inside the hob.

The worktop is made of pressed AISI 304 stainless steel and features a reverse embossed profile to ensure the plates fit perfectly, facilitate cleaning and protect the electrical components from spilled liquids. The front panel is made of AISI 304 stainless steel.

The worktop finish features laser-cut edges to ensure the worktops fit ‘end-to-end’ and are securely fastened together.

Height-adjustable stainless steel feet.

. 100% Made in Italy.
