Cod: 111870011792844

Electric hob with 2 glass-ceramic hotplates, countertop model, 4.6 kW, 40×70×25h cm

Description

Electric hob with 2 glass-ceramic hotplates, stainless steel body. Heat-resistant knobs with functional screen-printed markings on the edge.

Black glass-ceramic hob, 0.6 cm thick. Heating is provided by round radiant electric heating elements fitted beneath the glass. Each hob is fitted with a power control that allows the operating frequency to be adjusted to maximum power. Safety is ensured by a temperature limiter located inside the hob.

Worktop in AISI 304 stainless steel with rounded edges to ensure ease of cleaning. Front cladding in AISI 304 stainless steel.

The worktop finish features laser-cut edges to ensure the worktops fit ‘end-to-end’ and are securely fastened together.

. 100% Made in Italy.
