Ristoattrezzature®

Cod: 4424

4-tray 42.9×34.5 cm Multifunction Electric Convection Oven

Description

A multifunction electric convection oven, it offers a wide range of functions for such a compact oven with clean, simple lines. It delivers top-class cooking performance, thanks to the choice of 8 available cooking options. It is capable of meeting the demands of even the most discerning chefs, always ensuring the very best in flavour and aroma. The temperature control allows you to cook even the most delicate dishes with confidence, ensuring minimal weight loss and bringing out the best in the flavours. The temperature control allows you to cook food until it takes on an appealing golden colour without altering its taste.
