**Cod: 4425**

# Single-phase 4-tray 42.9×34.5 cm electric convection oven with steam function

## Description

An electric fan-assisted convection oven with steam function, designed for cafés and small restaurants looking for a compact, practical and efficient appliance. Thanks to its direct steam function, it is able to
meet a wide range of cooking requirements: it is the ideal solution for preparing small-scale deli dishes and reheating ready-made meals, which will quickly regain all their flavour and appetising appearance.
