Cod: 12925

Vertical double-door roll-bond refrigerated pastry display cabinet with advertising panel, +1 to +12°C, 59.5 × 67 × 196h cm. Second-hand, with damage

Description

Why buy it?

This **double-door vertical pastry display cabinet** is the perfect solution for anyone looking to combine functionality and style. Ideal for patisseries, cafés and ice-cream parlours, it ensures optimal preservation of your confectionery products, keeping them fresh at all times and ready to be elegantly displayed.

Key features

- **Compact and functional design**
  With external dimensions of **59.5 x 67 x 196h cm**, this display cabinet fits easily into any setting, optimising space without compromising on its **350-litre** internal capacity.
- **Double doors for added convenience**
  The double doors make accessing the products simple and convenient, allowing you to manage the display efficiently without any loss of temperature.
- **Integrated canopy and advertising panel**
  The integrated canopies and advertising panel offer the possibility to customise the display cabinet, attracting customers' attention and enhancing the premises' image.
- **Roll-bond refrigeration**
  Roll-bond technology ensures even cooling distribution, maintaining a constant temperature between **+1°C and +12°C**, ideal for preserving the freshness of the products.
- **Digital display and mechanical thermostat**
  The **digital display** allows for precise control of the internal temperature, whilst the **mechanical thermostat** ensures intuitive and reliable operation.
- **Internal LED lighting**
  The internal LEDs provide uniform brightness, showcasing the products to their best advantage and making them irresistible to customers.
- **Adjustable shelves and feet**
  The **adjustable shelves** allow you to customise the interior space to suit your needs, whilst the **adjustable feet** ensure perfect stability on any surface.

Technical specifications

- **External dimensions**: 59.5 x 67 x 196h cm
- **Internal dimensions**: 55.5 x 41 x 158h cm
- **Insulation**: 4 cm
- **Power supply**: Electric
- **Capacity**: 350 litres
- **Energy efficiency class**: D
- **Power consumption**: 2.25 kW/24h
- **Refrigerant**: R600A
- **Weight**: 79 kg
- **Electrical power**: 0.37 kW
- **Noise** level: 54 dB
- **Defrosting**: Automatic
- **Operating temperature**: +1°C / +12°C

NB: The product has some imperfections caused by transport.
NB: Second-hand equipment.

Dimensions

External dimensions	595x670x1960 mm
Insulation	40 mm
Internal dimensions	555x410x1580 mm
Packaging dimensions	665x685x2130 mm

Technical specifications

Capacity	350 Lt
Defrosting	automatic
Electrical Power	0.37 kW
Electricity consumption	2.25 Kw/24h
Energy efficiency class	D
Net weight	79 kg
Noise levels	54 db
Operating temperature	+1 +12 °C
Power supply	Electric
Refrigerant gas	R600A
Weight including packaging	86 kg
