Cod: 88462443672

Electric countertop lava stone fry top with grill lift lever, 13.2 kW, 80×70×47.5h cm

Description

Why buy it?

The electric countertop lava stone grill is an essential piece of equipment for anyone seeking **versatility, durability and excellent performance** in the kitchen. Perfect for bars, restaurants and professional kitchens, this product guarantees optimal results thanks to a combination of durable materials and advanced technological solutions.

Key features

- **Made from stainless steel**
  The stainless steel construction ensures **strength, durability** and makes daily cleaning easy. It is designed to withstand intensive use, whilst maintaining a professional and hygienic appearance.
- **Electric lava stone grill**
  The lava stone allows for **even heat distribution**, ensuring perfect cooking results and authentic flavours. Ideal for grilling meat, fish and vegetables whilst preserving their natural flavour.
- **Integrated drip tray**
  This handy drawer collects cooking residues, making cleaning easier and keeping the work area tidy at all times.
