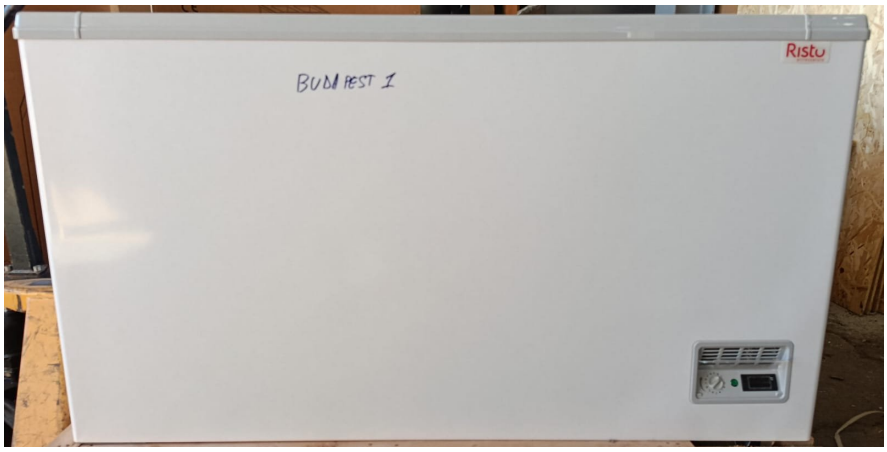
Cod: 12952

Chest freezer, 139 × 68 × 83.2h cm, 400 litres, -18 to -22°C, with sliding glass doors – Damaged



Description

Why buy it?

This **chest freezer** combines **efficiency, practicality and professional design** to offer an ideal solution for storing frozen food. Thanks to its **sliding glass doors**, it provides a clear view of the contents, reducing energy wastage and making access easier. With a **capacity of 400 litres**, it is a versatile and reliable choice for restaurants, bars and catering businesses.

Key features

- **High-efficiency compressor**
  Guarantees excellent performance, maintaining temperatures between **-18 and -22°C** consistently, even in environments with a maximum temperature of up to **38°C**. Ideal for ensuring the freshness and quality of stored food.
- **Sliding glass doors**
  The glass doors allow you to check the contents at a glance without having to open the freezer, helping to improve energy efficiency. The sliding design optimises space, making the freezer perfect even for confined spaces.
- **Four swivel castors**
  The castors ensure **easy manoeuvrability**, allowing the freezer to be moved effortlessly, whether for cleaning or for reorganising the workspace.
- **Mechanical thermostat**
  Simple and intuitive, the thermostat allows you to precisely adjust the internal temperature to suit different storage requirements.

Technical specifications

- **External dimensions**: **139x68x83.2h cm**
- **Packaging dimensions**: **145 x 74 x 87.9h cm**
- **Net capacity**: **400 litres**
- **Operating temperature**: **-18/-22°C**
- **Power consumption**: **3.6 kW/24h**
- **Power supply**: **230 V, 50 Hz**
- **Net/gross weight**: **58/65 kg**
- **Energy efficiency class**: **B**

NB: The product has some imperfections caused by transport.

Dimensions

External dimensions	1390x680x832 mm
Internal dimensions	1240x530x710 mm
Packaging dimensions	1450x740x879 mm

Technical specifications

Electrical Power	0.46 kW
Electricity consumption	3.6 Kw/24h

Energy efficiency class	B
Frequency	50 Hz
Maximum room temperature	38 °C
Net capacity	400 Lt
Net weight	58 kg
Operating temperature	-18 -22 °C
Power supply	Electric
Refrigerant gas	R290
Voltage	230 V
Weight including packaging	65 kg

Standard equipment

Included	1 basket
