Cod: 88472432207

Electric lava stone fry-top grill on a base unit, 6.6 kW, 40×70×108.5h cm

Description

Why buy it?

The **electric lava stone fry-top grill on a base unit** is an essential piece of equipment for anyone seeking **versatility, durability and excellent performance** in the kitchen. Perfect for bars, restaurants and professional kitchens, this product guarantees optimal results thanks to a combination of durable materials and advanced technological solutions.

Key features

- **Made from stainless steel**
  The stainless steel construction ensures **strength, durability** and makes daily cleaning easy. It is designed to withstand intensive use, whilst maintaining a professional and hygienic appearance.
- **Electric lava stone grill**
  The lava stone allows for **even heat distribution**, ensuring perfect cooking results and authentic flavours. Ideal for grilling meat, fish and vegetables whilst preserving their natural flavour.
- **Integrated drip tray**
  This handy drawer collects cooking residues, making cleaning easier and keeping the work area tidy at all times.
- **Grill height adjustment lever**
  A handy lever that allows you to easily adjust the height of the cooking grill. It enables you to move food closer to or further away from the lava stone to control the heat intensity with maximum precision and prevent burning.
