**Cod: 3667**

## 4-sided drinks display cabinet, 98-litre capacity

**Description**

Choose the **4-sided 98-litre drinks display cabinet** from Ristoattrezzature and offer your restaurant's customers drinks that are always chilled. **Practical, simple and sturdy**.

The **drinks display cabinet is an essential piece of equipment for storing and chilling drinks**. Water, beer and sparkling wines: choose the ideal product to best preserve their quality. Trust in our expertise in this field.

Our drinks display cabinet is, in fact, designed to guarantee excellent performance in every area of the catering industry: **bars, sandwich shops, restaurants and pizzerias**. Let's take a look at all the technical specifications.

Design and operation

The **4-sided 98-litre drinks display cabinet** by Ristoattrezzature **is compact, versatile and reliable**. Constructed from solid stainless steel – a durable and hard-wearing material – it features **double-glazed panels** along all four display sides **, offering a clear view of the products whilst maintaining thermal efficiency**.

The external dimensions of our **bar drinks display cabinet** are 42.8 x 38.6 x 115h cm, whilst the internal dimensions are 35 x 35 x 76h cm, featuring **five adjustable shelves and internal LED lighting**. It comes complete with **4 wire racks measuring 34 x 33.5 cm** to store your bottles – even the finest ones – conveniently and securely!

The motor unit is built-in and operates **at** a **voltage of 230V and a frequency of 50Hz**. **The ventilation-based refrigeration system ensures** the temperature is as uniform as possible across all shelves for optimal storage of drinks.

Finally,**the temperature control is electronic**: on a display at the bottom, you can set the operating temperature (between +2° and +8° C) and keep it under constant control.

Complete the décor of your premises with the right appliance: don't compromise on **high performance, reliability and style**.

4-sided drinks display cabinet, 98-litre capacity: cleaning and maintenance

With our **98-litre 4-sided drinks display cabinet** for restaurants, cleaning has never been easier! You can move it around easily and give it a thorough clean whenever you like.

Opt for **natural cleaning products and make the most of the rounded internal corners** to clean every centimetre.

For any maintenance, you can also **remove the rear compartment with ease**.
