Cod: 13562

Stainless steel saucepan with lid, Ø 28 cm, suitable for induction hobs

Description

Why buy it

This stainless steel saucepan with lid is ideal for boiling and preparing dishes that require a deep pan. A practical choice for equipping your business with the necessary kit and tailoring operations to the type of service required.

Key features

- **Capacity:** The tall design helps to hold ingredients and liquids,**which** is useful for making stocks, boiling and other preparations suitable for this pot.
- **28 cm diameter:** The size of this model allows you to determine the scale of your cooking and choose the utensil or pot best suited to your planned preparations.
- **Induction-compatible:** This model is suitable for induction hobs, allowing it to be integrated into your cooking setup, provided the hob's usable diameter is checked.

Technical specifications

- **Product dimensions:** 28x28x24h cm
- **Net weight per unit:** 1.69 kg
- **Diameter:** 28 cm
- **Capacity:** 14.5 L
- **Construction and functional features:** Elegant, attractively designed stainless steel pans with a compact sandwich base, suitable for induction hobs. Manufactured using sophisticated all-over technology to ensure there are no empty cavities. This allows for better heat distribution, faster heating and more even heat transfer, even right up to the edges of the pan.
- **Usage details and contents:** All-over technology extends the product's lifespan by preventing food residues, water or detergents from accumulating in the sandwich base, which could eventually cause deterioration.
- **Gross weight of the package for minimum order quantity:** 1.9 kg
- **Package dimensions for minimum order quantity:** 40.5 x 32 x 28h cm
- **Recommended minimum order quantity:** 1 unit
- **Recommended sales multiple:** 1 unit
