Cod: 4449

Electric Convection Oven with Humidification, 4 Trays, 42.9×34.5 cm

Description

Electric fan-assisted convection oven with humidification; the compact size and light weight of this oven make it perfect for bakeries and patisseries where space is at a premium and electricity is a resource not to be wasted. Whether fresh desserts or frozen brioche, bread rolls or mini pizzas, everything will taste even better thanks to the practical indirect humidification system.
