Trolley for 28 GN 2/1 trays

Description

Why buy it

The trolley for 28 GN 2/1 trays helps you organise and move equipment around during service. A useful choice for preparing the equipment required for your business and coordinating operations with the type of service required.

Key benefits

- **Streamlined workflow:** It groups together items intended for the same stage of service and facilitates their transfer between operational areas, minimising the need for manual handling.
- **Dedicated configuration:** The compartments and format indicated in the name help you choose the trolley based on the crockery or trays used in your business.
- **Gastronorm format:** The GN reference helps you match the item with trays of the same format, ensuring the correct height, usable dimensions and compatibility of the configuration.
