Sushi display fridge with curved glass front, dimensions 150 × 41.5 × 30h cm, capacity 5 1/3 GN trays, colour: black

Description

Refrigerated display cabinets for sushi preserve the raw ingredients to the highest standard, fully maintaining their organoleptic properties and ensuring maximum product visibility.

This display cabinet is made of glass, with a frame of pre-painted, corrosion-resistant black sheet metal; it can accommodate 5 GN 1/3 trays (not included).

The internal temperature ranges from 0°C to +6°C, making it ideal for keeping sushi fresh. Adjusting the temperature is very straightforward, thanks to the external digital display.

The curved front glass is ideal for displaying the product on the counter.

LED lighting.
