Cod: 111912052937

23 kW gas-fired, height-adjustable countertop lava stone griddle, 80×90×25h cm

Description

Stainless steel frame. Heat-resistant thermoset plastic knobs with practical screen-printed markings. Heating provided by dual-flame burners with a stabilised flame. Fitted with a safety gas tap that allows the output to be adjusted from maximum to minimum. Safety ensured by a thermocouple kept active by the pilot burner flame. Fitted as standard with a removable stainless steel meat grill. Food support rack adjustable to two different levels, even whilst in use. Two independent cooking zones. Sloping worktop facing the grease drain, connected to a large-capacity container situated beneath the hob. Fitted as standard with two small drawers for collecting ash resulting from the combustion of lava rock. Fitted as standard with a 5 kg bag of lava rock. Moulded AISI 304 stainless steel worktop with rounded edges for easy cleaning. The worktop finish is laser-cut for a ‘head-to-head’ fit and secured with edging. 100% Made in Italy.
