Cod: 116040042720

Single-phase glasswasher with a 35×35 cm square basket, fitted with a rinse aid dispenser, detergent dispenser and drain pump

Description

Why buy it?

If you're looking for a **compact, powerful and easy-to-use glasswasher**, this model is ideal for your establishment. Despite its compact size, it delivers high-performance washing, ensuring your glasses, saucers and cutlery are always perfectly clean. With the **rinse aid and detergent dispensers already fitted**, you can optimise the use of cleaning products and ensure impeccable hygiene without any waste.

Key features

- **High performance in compact spaces**
  Thanks to its **compact design** and **optimised dimensions (42.5 x 45.5 x 64h cm)**, this glasswasher is perfect for premises with limited space, without compromising on washing power.
- **35x35 cm square basket: stability and versatility**
  The **square basket** ensures optimal organisation of glasses and crockery, preventing them from tipping over during the wash cycle and guaranteeing consistent results.
- **Accessories included for a complete wash**
  The unit comes **with a glass basket, a cutlery insert and an insert for 12 small plates**, so you can wash different types of crockery with maximum convenience.
- **Built-in rinse aid and detergent dispensers**
  The **pre-fitted dispensers** ensure the correct amount of detergent is used in every wash cycle, enhancing shine and cleanliness without the need for manual dosing.
- **High washing capacity**
  With a usable height of **25 cm**, it can easily accommodate tall glasses and small plates, adapting to a variety of washing requirements.
- **Power and energy efficiency**
  The motor, with **a maximum power of 2.9 kW**, and **the 0.30 kW pump** ensure an effective and fast wash cycle, reducing energy consumption.
- **120-second rapid wash cycle**
  Each cycle lasts just **2 minutes**, allowing you to wash quickly and reduce waiting times at peak times.
- **Optimal temperatures for perfect hygiene**
  A **wash** temperature **of 85°C** and a **rinse** temperature **of 53°C** guarantee maximum hygiene, eliminating bacteria and food residues.
- **Sturdy and durable construction**
  Made from high-quality materials, it is designed to last and withstand intensive use in the catering sector.
- The **fitted drain pump** enables forced drainage of water from professional glasswashers and dishwashers, making them ideal for premises with a high or distant drain outlet. This solution prevents water from stagnating, improving hygiene and ensuring efficient operation even in challenging installation conditions.

Technical specifications

- **External dimensions:** 42.5 x 45.5 x 64h cm
- **Basket dimensions:** 35x35 cm
- **Useful height:** 25 cm
- **Tank capacity:** 11 litres
- **Boiler capacity:** 3.5 litres
- **Maximum power:** 2.9 kW
- **Boiler heating element:** 2.7 kW
- **Tub heating element:** 1.8 kW
- **Pump power:** 0.30 kW
- **Recommended pressure:** 2–4 bar
- **Voltage:** 230 V

- **Frequency:** 50 Hz
- **Cycle time:** 120 seconds
- **Net weight:** 22.5 kg

Please note: If you purchase the optional round basket, the other baskets will also be left in the machine.

Dimensions

Basket dimensions	350x350 mm
Clear height	250 mm
Diameter of the water inlet pipe	3/4"
External dimensions	425x455x640 mm
Packaging dimensions	750x750x800 mm
Water drain pipe diameter	25 mm

Technical specifications

Boiler capacity	3.5 Lt
Boiler heating element	2.7 kW
Cycle time	120 "
Frequency	50 Hz
Maximum power	2.9 kW
Net weight	22.5 kg
Power supply	Electric
Pressure	2 - 4 bar
Pump power	0.30 kW
Rinse temperature	53 °C
Tank capacity	11 Lt
Tub resistance	1.8 kW
Voltage	230 V
Wash temperature	85 °C
Weight including packaging	25 kg

Standard equipment

Included	1 x Glass basket (35 x 35 cm), 1 x Cutlery insert, 1 x Rinse aid dispenser, 1 x Detergent dispenser, 1 x Drain pump and 1 x Insert for 12 small plates.
