Cod: 13963

Shallow aluminium saucepan with 2 handles, 0.5 cm thick, 28 L

Description

Why buy it

This shallow aluminium saucepan with two handles helps you cook and finish off dishes in a shallow pan. A useful choice for putting together the equipment you need for your business and tailoring your operations to the type of service required.

Key features

- **Easy access to contents:** The shallow design makes it easier to access the contents whilst cooking, which is useful for monitoring and stirring ingredients in suitable dishes.
- **28-litre capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Aluminium construction:** This material allows you to integrate this item with your existing equipment, whilst adhering to the correct usage, washing and maintenance procedures for aluminium.
