Cod: 1163800142150

Single wok induction hob, Ø 40 cm, 5 kW

Description

Why buy it?

The **Single Wok Induction Hob** is an indispensable ally for anyone seeking professional-quality cooking without compromising on convenience and efficiency. Thanks to its advanced technology and design tailored for intensive use, this hob represents a smart investment for your kitchen.

Key features

- **Concave surface for perfect cooking:** Designed to fit the shape of woks, this concave surface ensures even heat distribution, making cooking quick and consistent.
- **22 cm coil with 21 magnetic bands:** This advanced technology ensures optimal heat transfer, improving efficiency and allowing high temperatures to be reached in a matter of seconds.
- **Overheating and overvoltage protection:** The intelligent safety system protects both the appliance and users, ensuring safe operation even during prolonged use.
- **Smart electronic components:** This hotplate is equipped with a system that optimises energy consumption, reducing waste and ensuring significant savings on running costs.
- **Durable and reliable materials:** Made from high-quality materials, the hotplate is resistant to high temperatures, features a non-slip base and is designed to last over time without losing efficiency.

Technical specifications

- **Diameter**: 40 cm
- **External dimensions:** 38x50x20h cm
- **Packaging dimensions:** 40x51.5x19.5h cm
- **Gross weight: 11** .25 kg
- **Net weight:** 10.25 kg
- **Power supply:** Electric
- **Power:** 5 kW
- **Frequency:** 50 Hz
- **Voltage: 220** V

Dimensions

Diameter	400 mm
External dimensions	380x500x200 mm
Packaging dimensions	400x515x195 mm

Technical specifications

Electrical Power	5 kW
Frequency	50 Hz
Net weight	10.25 kg
Power supply	Electric

Voltage	220 V
Weight including packaging	11.25 kg
