Cod: 10875001374017

Stainless steel refrigerated cabinet with 1 glass door, capacity 546 litres, +3 to +10°C

Description

Clean and elegant, thanks to the glass door, the flush-mounted digital control panel with an independent main switch, and the distinctive design of the top panel and door. This model represents the perfect combination of technology and manufacturing expertise, featuring a self-closing door and moulded guides to aid cleaning, save space inside the cabinet and enable the three standard-fit GN 2/1 shelves to support a heavier load than average. Our refrigerated cabinet is environmentally friendly and energy-efficient, thanks to the eco-friendly R290 refrigerant and 8 cm of insulating foam on each side. Internal LED lighting, a standard lock and height-adjustable feet all contribute to making this professional refrigerator a top-of-the-range product.

Dimensions

External dimensions	700x824x2045 mm
Internal dimensions	534x824x1485 mm
Packaging dimensions	720x845x2110 mm

Technical specifications

Capacity	546 Lt
Defrosting	hot gas
Electrical Power	0.312 kW
Energy efficiency class	And
Net weight	114.5 kg
Operating temperature	+3 +10 °C
Power supply	Electric
Refrigerant gas	R290
Refrigeration	ventilated
Weight including packaging	133 kg
