Cod: 14054

28 cm non-stick stainless steel deep flared frying pan

Description

Why buy it

This deep, flared, non-stick stainless steel frying pan is ideal for browning, stir-frying or finishing dishes on the hob. A practical choice for equipping your business with the necessary kit and tailoring operations to the type of service required.

Key features

- **Ingredient management:** The shape of the pan provides a surface for arranging and moving ingredients during suitable cooking processes, making it ideal for quick cooking and finishing touches.
- **On-the-spot preparation:** It allows you to organise your equipment for express service and for creaming, choosing the variant best suited to the recipe and the heat source.
- **Non-stick surface:** The coating helps ensure that food releases easily and facilitates cleaning of the surface; use utensils and maintenance methods suitable for the coating.

Technical specifications

- **Product dimensions:** 28 x 28 x 6.5h cm
- **Net weight per unit:** 1.6 kg
- **Construction and functional features:** Made from two layers – 0.3 cm aluminium + ferritic steel – used throughout the body of the pan, it allows for rapid and even heating, a significant improvement over products with a welded induction base. The SHARK SKIN non-stick coating offers superior non-stick performance compared to standard sprayed coatings, thanks to its greater thickness, which also ensures a long service life.
- **Usage details and contents:** Dishwasher safe.
- **Gross weight per package for minimum order quantity:** 1.8 kg
- **Package dimensions for minimum order quantity:** 54.5 x 32 x 10.5h cm
- **Recommended minimum order quantity:** 1 unit
- **Recommended sales unit:** 1 unit
