Ristoattrezzature®

Cod: 108770020112643

Stainless steel refrigerated counter with splashback, 2 doors, -2 to +8 °C, 135×70×95h cm

Description

A modern-looking refrigerated table with a worktop featuring rounded edges, a 10 cm high back panel and a digital display. This product offers the perfect combination of efficiency and reliability, with a depth of 70 cm, a choice of 2 doors or drawers as optional extras, and 2 adjustable GN1/1 shelves per door. Our refrigerated counter has been designed with the environment and energy efficiency in mind, fitted with eco-friendly R290 refrigerant, 6 cm of insulating foam on each side, doors with increased thickness and an internal contour for improved thermal insulation, and self-closing doors to prevent energy wastage. A monobloc motor system to facilitate maintenance, together with height-adjustable feet (from 14.5 cm to 18.5 cm), help to make this product an ideal piece of equipment for professional catering.

Dimensions

External dimensions	1350x700x950 mm
Internal dimensions	930x585x585 mm
Packaging dimensions	1390x740x970 mm

Technical specifications

Capacity	260 Lt
Climate class	4
Defrosting	automatic
Electrical Power	0.350 kW
Energy efficiency class	A
Net weight	102 kg
Noise levels	42 db
Operating temperature	-2 +8 °C
Power supply	Electric
Refrigerant gas	R290
Refrigeration	ventilated
Weight including packaging	127 kg
