**Cod: 14189**

# Shallow aluminium saucepan with 2 handles, Ø 24 cm, 4.1 L, suitable for induction hobs

## Description

Why buy it

This shallow aluminium saucepan with two handles helps to complete your kitchen’s cookware set. A practical choice for putting together the equipment needed for your business and tailoring operations to the type of service required.

Key features

- **Base design:** The surface of the pan is ideal for arranging ingredients and managing cooking and stirring processes that are suited to the shape and material of this model.
- **4.1 L capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen’s workload or the service required.
- **Induction-compatible:** This model is suitable for use on induction hobs, allowing it to be integrated into the relevant cooking setup, provided the hob’s effective diameter is checked.

Technical specifications

- **Product dimensions:** 24x24x9h cm
