Cod: 14787

Non-stick aluminium deep saucepan, Ø 20 cm, suitable for induction hobs - 840-220

Description

Why buy it

This deep non-stick aluminium saucepan is ideal for boiling and other preparations that require a deep pan. A practical choice for putting together the equipment needed for your business and tailoring your operations to the type of service required.

Key features

- **Capacity:** The deep design helps to hold ingredients and liquids, making it useful for preparing stocks, boiling and other tasks suitable for this type of pan.
- **20 cm diameter:** The size of this model allows you to determine the scale of your cooking and choose the utensil or pan best suited to your planned preparations.
- **Induction-compatible:** This model is suitable for induction hobs, allowing it to be integrated into your cooking setup, provided the hob's usable diameter is checked.
