Cod: 97370442745

Microwave oven with digital controls, 1 kW, 51×43×31h cm

Description

Programmable microwave. It combines the two features that catering professionals value most: power and ease of use.
Key features:

-Stainless steel interior and exterior.
- Programmable: 10 programmes.
-1000 W magnetron.
-The fixed base provides greater capacity for the oven.
-Easy to handle.
