Cod: 4066

Countertop display cabinet for yoghurt and dairy products, temperature range 0°C / +5°C

Description

A refrigerated display cabinet specifically designed to hold yoghurt and dairy products in general. It features an air-ventilated refrigeration system, which maintains a uniform temperature throughout the display compartment. Automatic defrosting (every 24 hours). Shatterproof dome providing excellent visibility of the product. Internal material: matt AISI 304 food-grade steel. External material: cold-plasticised sheet metal or polished or satin-finish stainless steel.
