Cod: 10991057942749

Ventilated refrigerated counter with storage compartment for delicatessen and butcher’s products, dark oak, 0–2°C, 300×109×128h cm

Description

A modern-style ventilated refrigerated display cabinet, meticulously designed down to the last detail to meet every requirement; robust thanks to its stainless steel frame; with glass panels that open upwards to facilitate the placement of goods; LED lighting to show the displayed products to their best advantage; and a stainless steel worktop and display area.

Actual dimensions do not correspond to the image, which is for illustrative purposes only.

N.B. The optional frame with castors can only be selected at the time of purchase. The optional polyethylene chopping board and stainless steel scales holder are not available with a plexiglass rear panel.
