Cod: 14798

Low-sided non-stick aluminium saucepan, Ø 28 cm, suitable for induction hobs

Description

Why buy it

This shallow non-stick aluminium saucepan helps you cook and finish off dishes in a shallow pan. A useful choice for putting together the equipment you need for your business and tailoring your operations to the type of service required.

Key features

- **Easy access to the contents:** The shallow shape makes it easier to access the contents whilst cooking, which is useful for monitoring and stirring ingredients in suitable dishes.
- **28 cm diameter:** The size of this model allows you to determine the scale of your cooking and choose the utensil or pan best suited to your planned recipes.
- **Induction-compatible:** This variant is suitable for use on induction hobs, allowing it to be integrated into your cooking setup, provided the hob's effective diameter is checked.

Technical specifications
