Looking for people with 20 pagers, covering 15,000 cm, dimensions 4.7 × 10.2 × 1.2 (h) cm

Description

Professional-grade pager system with charging tower, featuring a modern and attractive design, configurable for up to 9,999 pagers; it allows you to alert a customer simply by pressing a button. This version requires an external control unit.

The pagers are recharged simply by inserting them into the supplied charging tower; they have a more powerful battery than other models, offering twice the range. It operates within a maximum range of 15,000 cm in open terrain. The pagers are fully customisable with your logo, with ample space for your advertising. **N.B. The control unit for the pagers is not included and can be purchased as an optional extra.**
