Ristoattrezzature®

Cod: 111160040012816

Search for people using a call keypad with 10 pagers numbered 1–10, with a range of 15,000 cm and dimensions of 5.5 × 1.2 × 19.5 (h) cm

Description

This pager system features a call keypad that allows you to alert a customer simply by pressing a button on the pager's base unit. It is a ready-to-use product that requires no programming; furthermore, the pagers are recharged by placing them in their charging base.

It operates within a maximum range of 15,000 cm in open terrain. Each base unit comes with 10 numbered pagers, and this version can be expanded to a maximum of 20 pagers; this model is numbered from 1 to 10. The pagers can be fully customised with your logo.

Dimensions

External dimensions	55x12x195 mm
