Cod: 28080306

Stainless steel sink / washbasin, single-bowl, with shelf and drainer on the right, depth 60 cm, 140×60×85h cm

Description

Why buy it?

If you're looking for a durable, practical sink suited to the day-to-day demands of a professional kitchen, this stainless steel model is just what you need. The design is intended to make the chef's job easier, offering a functional work surface, a handy drainer for drying and a spacious bowl for washing up. The structure is sturdy and versatile, perfect for withstanding intensive use over time.

Key features

- **Stainless steel construction**
  Made entirely from **high-quality stainless steel**, this sink is resistant to corrosion, impact and high temperatures. Ideal for environments where hygiene is a priority, such as restaurants, pizzerias, canteens, laboratories and industrial kitchens. The smooth surface makes cleaning easy and prevents the build-up of dirt and bacteria.
- **1 Spacious sink bowl**
  Featuring a bowl measuring **50x40x30h cm**, it is perfect for washing crockery, utensils or food. The depth of the bowl allows you to work comfortably even with bulky items, preventing water from spilling over.
- **Integrated side drainer**
  The **drainer** integrated into the unit allows you to place plates, baking trays or wet crockery to dry naturally, preventing clutter and the build-up of water on the worktop.
- **Lower shelf**
  The **lower** stainless steel **shelf** provides extra space for storing containers, cleaning products or useful accessories, optimising kitchen organisation. It is sturdy and easy to keep clean.
- **Height-adjustable feet**
  Thanks to **the adjustable feet**, you can adapt the sink to your height or to any unevenness in the floor. This feature improves comfort and stability during everyday use.
- **Compact yet functional dimensions**
  The external dimensions of **140 x 60 x 85h cm** make it suitable even for the tightest of spaces, without compromising on practicality. The proportions are designed to ensure a perfect balance between overall dimensions and usable surface area.

Technical specifications

- **External dimensions: 140 x 60 x 85h** cm
