Ristoattrezzature®

Cod: 111480032393150

Professional dishwasher and glasswasher with touchscreen display and Wi-Fi capability, three-phase, 50×50 cm, 5 kW

Description

A professional dishwasher with a sophisticated design and a touchscreen display, ideal for chefs seeking high washing performance. Constructed from AISI 304 stainless steel. Balanced double-walled door. Press-formed tub with rounded edges to ensure maximum hygiene, preventing the build-up of dirt and water.

Upper and lower rotating stainless steel spray arms on a separate circuit, a stainless steel surface filter in the tank to collect solid waste, and temperature display. Option to adjust the cycle parameters.

The programmable system ensures that the rinse takes place at a water temperature of 85°C to guarantee the reduction of the bacterial load.

A rinse aid dispenseris fitted as standard to ensure excellent drying results; provision is madefor a detergent dispenser and for a Wi-Fi module.

A wide range of optional extras is available. One dish basket and one cup basket are included.

The dual stainless steel filtration system keeps the water cleaner for longer. With 20% ds less water in the tank compared to other models, it saves on energy and detergent.

The HD FULL-TOUCH display with coloured icons is intuitive and easier to use.

. 100% Made in Italy.
