Ristoattrezzature®

Cod: 111480042393150

Professional dishwasher and glasswasher with touchscreen display and Wi-Fi capability, single-phase, 50×50 cm, 5 kW

Description

A professional dishwasher with a sophisticated design and a touchscreen display, ideal for chefs seeking high-performance washing. Constructed from AISI 304 stainless steel. Balanced double-walled door; moulded tub with rounded edges to ensure maximum hygiene by preventing the build-up of dirt and water; upper and lower rotating stainless steel spray arms on separate circuits; stainless steel surface filter in the tub for collecting solid waste.

Temperature display. Option to adjust the operating cycle parameters.

The programmable system ensures that rinsing takes place at a water temperature of 85°C to guarantee the reduction of the bacterial load.

A rinse aid dispenseris fitted as standard to ensure excellent drying results; provision is madefor a detergent dispenser and a Wi-Fi module.

A wide range of optional extras is available on request. One dish basket and one cup basket are supplied as standard.

The dual stainless steel filtration system keeps the water cleaner for longer. With 20% dss water in the tub compared to other models, this saves energy and detergent.

The HD FULL-TOUCH display with coloured icons is intuitive and easier to use.

. 100% Made in Italy.
