Cod: 3300635

Table with stainless steel legs, featuring a base panel and a back panel, 70 cm deep, 110×70 cm

Description

Why buy it?

This **stainless steel table** is the ideal choice for anyone looking for functionality, durability and hygiene in the kitchen. The **lower shelf** optimises workspace, whilst**the rear splashback** protects the walls and keeps the kitchen tidy. Its generous dimensions make it suitable for a wide range of uses, providing a practical and sturdy work surface even in the busiest of kitchens.

Key features

- **Stainless steel construction**
  Made entirely from **stainless steel**, this table guarantees **maximum resistance to corrosion** and exceptional durability, even in damp environments or when in contact with liquids. It is easy to sanitise, making it ideal for complying with the strict hygiene standards of the Ho.Re.Ca. sector.
- **Lower shelf for optimising space**
  The practical **lower shelf** allows you to **organise utensils, containers or work materials more effectively**, making every task quicker and tidier. A perfect solution for those who need to make the most of every available centimetre.
- **10 cm rear splashback**
  The splashback is designed to **prevent liquids or residues from falling behind the table**, protecting the wall behind it and making cleaning easier. A functional detail that makes all the difference in a professional setting.
- **Generous and versatile dimensions**
  With external dimensions of **110 x 70 x 85h cm**, this table offers a spacious worktop, perfect for food preparation, plating up or placing light equipment. The height is designed to ensure **comfort even during prolonged use**.
