Cod: 12934

Stainless steel shelving unit with 3 smooth shelves, 120×60×120h cm, EC, new with transport damage

Description

Why buy it?

- **Superior durability:** AISI 304 stainless steel ensures resistance to corrosion, even in damp environments or when in contact with food.
- **Easy to clean:** The smooth surface of the shelves and the stainless steel material make cleaning quick and effortless.
- **Easy assembly:** Designed to be assembled in just a few minutes, with simple and intuitive instructions.
- **Professional appearance:** The elegant, minimalist design blends seamlessly into any professional setting.

Key features

- **Optimal space organisation:** Thanks to its **3 spacious, smooth shelves**, this shelving unit allows you to easily organise tools, ingredients and accessories, keeping things tidy even in the busiest of environments.
- **Sturdy and durable design:** Made entirely from **AISI 304 stainless steel**, this shelving unit is designed to withstand wear and tear, moisture and chemicals, ensuring a long service life.
- **Hygiene and practicality:** Stainless steel is the ideal material for professional environments thanks to its ease of cleaning and ability to maintain high standards of hygiene, which are essential in sectors such as catering and healthcare.
- **Versatile use:** Perfect for professional kitchens, food processing facilities, warehouses and industrial environments, it adapts to any requirement thanks to its simple and functional design.
