

Cod: 112370072850

Electric tabletop barbecue with stand, 2 kW, 44.7 x 35.5 x 71 (h) cm

Description

Why buy it?

Are you looking for a practical, versatile barbecue that's perfect for any occasion? The 2 kW **tabletop electric barbecue with stand** is the ideal solution for anyone who wants to grill with ease, without worrying about smoke or complications. Whether you're organising an al fresco dinner or fancy a quick barbecue at home, this product combines **convenience, a compact design and advanced features**, adapting perfectly to your needs.

Key features

- **Electric power for smoke-free cooking**
With a power output of **2 kW**, this barbecue offers even cooking with no smoke emissions, making it ideal for both indoor and outdoor use. Simply plug it in and you're ready to grill.
- **Metal drip tray for grease and juices**
Keep the cooking surface clean thanks to the handy built-in drip tray, designed to collect excess fat and juices. This ensures healthier cooking and makes cleaning up afterwards a breeze.
- **Adjustable temperature up to 250 °C**
Customise the cooking of every dish with the adjustable thermostat, which allows you to grill meat, fish, vegetables and more to perfection.
- **2 side shelves for added convenience**
The handy side shelves provide extra space to store utensils, plates or ingredients, making food preparation even more organised and quicker.
- **Versatile use: freestanding or at the table**
The smart design allows you to use the barbecue either on its stand, for cooking whilst standing, or directly at the table, for a more convivial and personalised experience.
- **Compact yet efficient cooking surface**
With a surface area of **365x255 mm**, you have the ideal space to cook several dishes at once, making the most of your time and resources.
