Cod: 11249001001

Electric rotary rack oven for 1 rack, 80×80 cm

Description

Electric rotary oven for trolleys, holding 18 baking trays measuring 80x80 cm. Practical air ventilation system with 3 fans positioned inside the baking chamber, which draw in air and distribute it evenly throughout the trolley via 4 side vents. This ensures excellent baking results for all types of bread and pastries. The oven is constructed entirely from stainless steel. Double-glazed door. Dual steam generator with cast-iron balls. Digital control panel with 99 programmes and 9 baking stages. Hanging-type trolley mounting.

Dimensions

External dimensions	1460x1780x2300 mm
