40×30 cm non-stick aluminium frying pan

Description

Why buy it

This aluminium pan helps you cook and finish off dishes in a shallow container. A useful choice for putting together the equipment you need for your business and tailoring your operations to the type of service required.

Key features

- **Access to the contents:** The shallow shape makes it easier to access the contents whilst cooking, which is useful for monitoring and stirring ingredients in suitable dishes.
- **Cooking and finishing:** The pan can be included in your kit for cooking and finishing dishes, choosing the material and size according to the intended use.
- **Non-stick surface:** The coating helps ensure that food does not stick and makes cleaning the surface easier; use utensils and maintenance methods suitable for the coating.
