Cod: 14187

Tall aluminium saucepan with 2 handles, Ø 28 cm, 9 L, suitable for induction hobs

Description

Why buy it

This deep aluminium saucepan with two handles helps to complete your kitchen's range of cookware. A practical choice for putting together the equipment needed for your business and tailoring your operations to the type of service required.

Key features

- **Large-volume cooking:** The deep design is useful for preparing dishes that require a large capacity, such as boiling, stock-making and other recipes suitable for this type of pan.
- **9-litre capacity:** The capacity specified for this model helps you plan quantities and restocking, choosing equipment proportionate to the kitchen's workload or the service required.
- **Induction-compatible:** This model is suitable for use on induction hobs, allowing it to be integrated into the relevant cooking setup, provided the hob's effective diameter is checked.

Technical specifications

- **Product dimensions:** 28x28x16h cm
- **Net weight per unit:** 3.3 kg
- **Diameter:** 28 cm
- **Capacity:** 9 L
- **Construction and functional features:** Professional range made from 99% pure aluminium. Suitable for induction hobs thanks to the ferritic steel disc. It is widely used for making sauces, reducing stocks, mixing ingredients and preparing creams. Fitted with two handles, it comes in a wide range of sizes, forming a complete cookware set.
- **Usage details and contents:** They are easy to handle and versatile, suitable for various cooking methods.
- **Gross weight of the package for minimum order quantity:** 3.7 kg
- **Package dimensions for minimum order quantity:** 40.5 x 32 x 20h cm
- **Recommended minimum order quantity:** 1 unit
- **Recommended sales multiple:** 1 unit
