Cod: 12692

Stainless steel refrigerated freezer cabinet, 1-door, 700 litres, ventilated, -18 to -22°C, suitable for tropical climates – AH, second-hand with transport damage

Description

Why buy it?

If you're looking for a **reliable, spacious and professional freezer cabinet**, this **700-litre single-door** model is the perfect choice. Made from **stainless steel**, it offers uniform forced-air cooling, excellent performance even in extreme climates and intuitive operation thanks to **its touchscreen display**. Ideal for restaurants, patisseries, hotels and catering businesses.

Key features

- **Easy-to-replace integrated unit**
  The refrigeration system is designed for quick and easy maintenance. If necessary, the unit can be easily replaced, minimising downtime and ensuring maximum efficiency at all times.
- **Intuitive touchscreen display**
  The **touch-screen panel** allows for simple and immediate control of the internal temperature, ensuring optimal food preservation with extreme precision.
- **Internal LED lighting**
  The integrated LED light provides **bright, efficient illumination** inside the cabinet, ensuring perfect visibility even in the most hidden corners.
- **Internal capacity of 700 litres with 3 shelves and 3 pairs of rails**
  Ample, well-organised space for storing large quantities of food. The **3** adjustable **shelves** and **3 pairs of railings** provided offer **flexibility** in the internal layout.
- **Ventilated cooling for constant temperatures**
  The **ventilated cooling** system maintains an even temperature distribution between **-18 and -22 °C**, protecting food from ice build-up and ensuring optimal preservation.
- **Tropicalised motor for high temperatures**
  This freezer cabinet is designed to operate even in **hot environments** up to **43 °C**, thanks to its tropicalised motor. An ideal choice for professional kitchens and environments with challenging climatic conditions.
- **Automatic defrost**:
  This function minimises ice build-up, ensuring consistent efficiency and saving time on maintenance.
- **Key lock for added security**
  Fitted with a **key-operated lock**, this freezer cabinet ensures the protection of stored food, making it ideal for shared environments or premises open to the public.
- **Durable and hygienic stainless steel construction**
  The **stainless steel** exterior and interior ensure **durability**, corrosion resistance and quick and easy cleaning, which is essential in professional environments.

Technical Specifications

- **External dimensions:** 74 x 83 x 201h cm
- **Capacity:** 700 litres (net 610 litres)
- **Cooling system:** Ventilated
- **Operating temperature:** -18/–22 °C
- **Maximum ambient temperature:** 43 °C
- **Refrigerant:** R290
- **Power consumption:** 0.38 kW
- **Weight:** 92 kg
- **Power supply:** 230 V / 50 Hz

NB: The product has some imperfections caused by transport.
Please note: This is a second-hand item.

Dimensions

External dimensions	740x830x2010 mm
Internal dimensions	616x710x1400 mm
Packaging dimensions	850x750x2060 mm

Technical specifications

Capacity	700 Lt
Defrosting	automatic
Electrical Power	0.38 kW
Energy efficiency class	D
Frequency	50 Hz
Maximum room temperature	43 °C
Net capacity	610 Lt
Net weight	92 kg
Operating temperature	-18 -22 °C
Power supply	Electric
Refrigerant gas	R290
Refrigeration	ventilated
Voltage	230 V
Weight including packaging	109 kg

Standard equipment

Included	3 grids and 3 pairs of rails
