Cod: 115252951065012

Chest freezer, 139 × 68 × 83.2h cm, 400 litres, -18 to -22°C, with sliding glass doors

Description

Why buy it?

This **chest freezer** combines **efficiency, practicality and professional design** to offer an ideal solution for storing frozen food. Thanks to its **sliding glass doors**, it provides a clear view of the contents, reducing energy wastage and making access easier. With a **capacity of 400 litres**, it is a versatile and reliable choice for restaurants, bars and catering businesses.

Key features

- **High-efficiency compressor**
  Guarantees excellent performance, maintaining temperatures consistently between **-18 and -22°C**, even in environments with a maximum temperature of up to **38°C**. Ideal for ensuring the freshness and quality of stored food.
- **Sliding glass doors**
  The glass doors allow you to check the contents at a glance without having to open the freezer, helping to improve energy efficiency. The sliding design optimises space, making the freezer perfect even for confined spaces.
- **Four swivel castors**
  The castors ensure **easy manoeuvrability**, allowing the freezer to be moved effortlessly, whether for cleaning or for reorganising the workspace.
- **Mechanical thermostat**
  Simple and intuitive, the thermostat allows you to precisely adjust the internal temperature to suit different storage requirements.

Technical specifications

- **External dimensions**: **139x68x83.2h cm**
- **Packaging dimensions**: **145 x 74 x 87.9h cm**
- **Net capacity**: **400 litres**
- **Operating temperature**: **-18/-22°C**
- **Power consumption**: **3.6 kW/24h**
- **Power supply**: **230 V, 50 Hz**
- **Net/gross weight**: **58/65 kg**
- **Energy efficiency class**: **B**

Dimensions

External dimensions	1390x680x832 mm
Internal dimensions	1240x530x710 mm
Packaging dimensions	1450x740x879 mm

Technical specifications

Electrical Power	0.46 kW
Electricity consumption	3.6 Kw/24h
Energy efficiency class	B

Frequency	50 Hz
Maximum room temperature	38 °C
Net capacity	400 Lt
Net weight	58 kg
Operating temperature	-18 -22 °C
Power supply	Electric
Refrigerant gas	R290
Voltage	230 V
Weight including packaging	65 kg

Standard equipment

Included	1 basket
