Ristoattrezzature®

Cod: 6274

Professional ventilated stainless steel tunnel-type gas pizza oven for pizzerias, with digital control panel and stand included; oven chamber dimensions: 65×100×10h cm

Description

The range of stainless steel tunnel ovens is suitable for a variety of baking requirements (bread, pizza, vegetables, prepared foods). The conveyor belt ensures greater productivity and, thanks to the oven-viewing door, there is no need to monitor the oven whilst it is in use. Easy to clean, the short time taken to reach the desired temperature and the convection cooking also allow for significant energy savings in the gas version. External dimensions including stand: 199.05 x 136 x 109h cm.

Dimensions

External dimensions	2075x1360x560 mm
Internal dimensions	650x1000x100 mm

Technical specifications

Gas Power	19.5 kW
Net weight	304 kg
Operating temperature	+0 +350 °C
Power supply	Gas
