Cod: 39260310

Stainless steel sink / washbasin, 1 bowl, with shelf and drainer on the left, depth 70 cm, 120×70×85h cm

Description

Why buy it?

If you're looking for a durable, hygienic sink designed to make your daily kitchen tasks easier, this **stainless steel sink with a bowl, drainer and worktop** is the perfect choice. Its sturdy and functional design is suited to any professional environment where **maximum efficiency and ease of cleaning** are required. Whether you run a restaurant, a deli or a workshop, you'll appreciate its **generous depth**, well-organised worktop and the quality of the materials.

Key features

- **Constructed entirely from AISI stainless steel**
  Made from **stainless steel**, this sink is corrosion-resistant, easy to sanitise and perfect for intensive professional use. The steel also ensures a long service life, even in damp environments subject to frequent washing.
- **1 large bowl**
  The **50x50 cm** bowl is **30 cm deep**, allowing you to wash pots, baking trays and bulky utensils with ease. The dimensions are designed to offer maximum capacity without compromising on ergonomics.
- **Integrated side drainer**
  The handy drainer allows you to place washed plates, crockery or food without getting the worktop wet. It is a key feature for **optimising your** kitchen **workflow** and keeping everything tidier.
- **Lower storage shelf**
  The practical shelf underneath is perfect for **storing washing-up liquid, utensils or containers** so they're always to hand. It makes the most of the space and improves organisation in the washing-up area.
- **70 cm depth**
  The increased depth offers more working space and greater stability during use. It is ideal for professional kitchens where work is carried out continuously and at a fast pace.
- **Practical dimensions**
  The overall dimensions are **120 x 70 x 85h cm**, making the sink suitable for many kitchen layouts, whilst maintaining a good balance between the space it occupies and the usable surface area.
