Cod: 4471

Electric Convection Oven with Steam, 4 Trays, 60×40 cm (side-opening version)

Description

Rediscover the quality and flavours of tradition. It is the ideal appliance for quick cooking with excellent results, suitable for small bakeries and patisseries. Reheat frozen bread or prepare fragrant brioches, whether plain or filled: with the direct steam function, you can adapt the oven to any baking requirement. Cleaning the baking chamber is made simple
and straightforward thanks to the practical side-opening door. Steam: Direct, with adjustment via a 5-position rotary knob.
