6-tray 60×40 cm electric combi oven with steam convection and touch-screen controls

Description

All the space you need to give free rein to your creativity in the kitchen is contained within a medium-sized oven that offers exceptional versatility. Thanks to the six 60x40 cm trays, the two bidirectional motors and the steam cooking function, you can vary the way you bake leavened products and fine pastries to always achieve the very best flavour. All this can be controlled with a simple touch directly from the new 7-inch capacitive colour TFT touchscreen with 800x480 resolution.
