Cod: 122310002930

Upgraded 4-burner gas hob with pilot light and piezoelectric ignition, for built-in installation, 23 kW S/70, 80×70 cm

Description

Why Buy It?

If you're looking for a robust, efficient solution that meets the demands of a professional kitchen, this **high-performance gas cooker** is the ideal choice. With its compact design and high-quality materials, it offers superior performance combined with a modern aesthetic. It's perfect for those who want to optimise space and improve efficiency in the kitchen.

Key Features

- **23 kW power output for exceptional performance**
  Thanks to the 4 high-output burners, you can manage several cooking tasks simultaneously, saving time and boosting your kitchen's productivity.
- The **pilot flame** ensures rapid and continuous ignition of the burners, reduces waiting times and enhances safety by cutting off the gas supply should the flame go out.
- The **piezoelectric** ignition is practical and safe: it requires no batteries or mains power, operates with a simple mechanical press, is reliable even in harsh environments and guarantees a long service life with minimal maintenance.
- **Stainless steel construction for durability and hygiene**
  The **stainless steel** construction ensures resistance to corrosion, ease of cleaning and a long service life, even in high-intensity working environments.
- **Lockable compartments for an organised and safe kitchen**
  With 2 built-in closed compartments, this gas cooker offers additional space for storing utensils, pans or ingredients, keeping the kitchen tidy and safe.
- **Adjustable feet for impeccable stability**
  The adjustable feet ensure the cooker is always perfectly stable, even on uneven surfaces, guaranteeing comfort and safety during use.
- **Compact dimensions for seamless integration**
  Measuring **80x70x94h cm**, this cooker fits easily into even the smallest of spaces, without compromising on performance.

Technical Specifications

- **External dimensions:** 80x70x94h cm
- **Fuel type:** Gas
- **Weight:** 91 kg
- **Gas power:** 23 kW

Note on knob colours:
Our appliances are available with red or silver knobs. The colour cannot be selected by the customer and will be supplied at random. However, if multiple products from the same range are ordered, we undertake to supply all items with knobs of the same colour.
