Cod: 12294065001014

Stainless steel refrigerated cabinet with 1 glass door, 400 litres, ventilated, +0 to +10 °C – ZX

Description

Why buy it?

This 400-litre**stainless steel refrigerated cabinet** is designed to ensure **maximum efficiency** in food storage. With its elegant and durable design, it is ideal for those looking for a robust, practical product suitable for intensive use. Perfect for restaurants, cafés, patisseries and any business requiring a spacious, high-quality fridge.

Key features

- **400-litre capacity**:
  Ample space to store large quantities of food, with a **net capacity of 369 litres** to make the most of every centimetre inside.
- **Sturdy, professional-grade construction**:
  The **hygienic, easy-to-clean ABS** interior is combined with a **corrosion-resistant stainless steel** exterior, ensuring a long service life and a consistently impeccable appearance.
- **Reliable ventilated refrigeration**:
  This refrigeration system maintains a uniform temperature between **0 and +10 °C**, ideal for storing food without temperature fluctuations.
- **Precision digital thermostat**:
  Easily monitor and adjust the temperature using the **intuitive digital display**, which ensures maximum reliability in temperature control.
- **Internal LED lighting**:
  The **energy-efficient LED lights** provide even and bright illumination inside the unit, making it quick and easy to find what you need, even in dimly lit environments.
- **Practical and safe design**:
  Fitted with a **recessed handle** that avoids bulky protrusions and a **lock** to ensure the safety of stored food.
- **Ease of movement and stability**:
  The **two rear wheels** allow you to move the cabinet easily, whilst the **two adjustable feet** ensure stability even on surfaces that are not perfectly level.
- **Energy efficiency**:
  Certified as **energy class B**, this fridge cabinet consumes **1223 kW/year**, ensuring high performance with low running costs.

Technical specifications

- **External dimensions**: 60 x 58.5 x 185h cm
- **Gross/net capacity**: 400 litres / 369 litres
- **Electricity consumption**: 1,223 kWh/year
- **Refrigerant**: R600A
- **Net/gross weight**: 69 kg / 81 kg
- **Operating temperature**: 0 / +10 °C

Standard features

- **4 adjustable shelves**: Maximum flexibility for organising the interior space to suit your specific needs.

Dimensions

External dimensions	600x585x1850 mm
Packaging dimensions	646x642x1990 mm
